Hines, Captain Lee: What's wrong with our airports, May 14.
Janczarek, Captain Ted: I flew the Airbus, Oct. 10; The invisible menace, July 6.
Karth, Representative Joseph (D-Minn.): Let's scrap MAP, July 12.
LaFond, Charles: What's ahead in avionics, Nov. 20.
Langdon, Captain Bob: Pilot productivity, Nov. 36.
Lockhart, Captain Wood: What about those offshore airports?, Dec. 8.
Martinez, Marty: Aviation's man of the year, Dec. 12; Commercial aviation: How did it grow?, Jan. 24; Co-op banking is growing, April 28; DFW: tomorrow's airport today, Sept. 12; Meeting the challenge, Aug. 30; Navigating the first airway, May 22; The seven homes of ALPA, Oct. 12; Tow it, stow it, drive it, July 16; Upping the house-buying IQ, March 18.
McDonald, Captain John F.: The future is now, March 8.
Morgan, Captain A. G.: All in the family, Feb. 22.
Richardson, Robert M.: How the airlines buy avionics, part one, Nov. 24; Part two, Dec. 33.
Riggs, Harry L. Jr.: Airport zoning, May 18.
Rutherford, Second Officer W. L. MD: Washing the mental blackboard, July 15.
Samuelson, Robert: CAB is not a taxi, Aug. 6.
Satterfield, James: ATC and the 10-year plan, Nov. 27.
Schulman, Bob: Hazardous cargo: out of control?, June 16; Operation Fair Play, Aug. 16.
Serling, Robert J.: The almost airliners, March 21.
Siuru, Major W. D.: Airplanes that made their own runways, Oct. 30.
Slade, Jim: Travels with a duck, Nov. 17.
Stangarone, Robert N.: Academia and aviation, Dec. 24.
Tessendorf, K. C.: Detroit's da Vinci, April 20.
Toles, George E.: Can microwaves solve the bird strike problem?, Nov. 34.

**FEATURE ARTICLES**

Academia and aviation (Stangarone), Dec. 24.
Aeroflot: world's largest airline (Glines), Aug. 20.
Airplanes that made their own runways (Siuru), Oct. 30.
Airport certification, May 21.
Airport zoning (Riggs), May 18.
Airports: key to community survival (Davis), May 6.
All in the family (Morgan), Feb. 22.
The almost airliners (Serling), March 21.
ALPA Board faces real world problems, Jan. 8.
ALPA College Degree program, Dec. 22.
ALPA Gold Medals for Heroism, Jan. 13.
ALPA Golf Tourney, Dec. 30.
ATC and the 10-year plan (Satterfield), Nov. 27.
Aviation's country fair, Oct. 25.
Aviation's man of the year, Dec. 12.
Avionics product notes for pilots, Nov. 30.
Balloons over Albuquerque (Earnshaw), April 13.
Boats: top family sport (Glines), July 19.
CAB is not a taxi (Samuelson), Aug. 6.
Can airports handle disasters? (Earnshaw), May 10.
Can microwaves solve the bird strike problem? (Toles), Nov. 34.
Captain makes blind landing, Oct. 24.
Champs meet at Carbondale, July 29.
Classroom in the sky, Dec. 27.
Commercial aviation: How did it grow? (Martinez), Jan. 24.
The Common Market and planes (Davis), March 14.
Co-op banking is growing (Martinez), April 28.
Cooperation improves ATC procedures (Best), Sept. 28.
A dangerous precedent (Davis), April 10.
Decision in Mexico City, Feb. 18.
Detroit's da Vinci (Tessendorf), April 20.
Detroit's main runway, March 29.
DFW: tomorrow's airport today (Martinez), Sept. 12.
Do passes pay off?, Sept. 20.
The double life of Bill Tischler, June 26.
EPA task force: aircraft noise study, Aug. 24.
Exhaust emissions during taxiing (Glines), July 14.
Facts and nothing but (Glines), March 4.
A first for Emily, March 24.
Flight returns to Kitty Hawk, Dec. 36.
The flying professor, Sept. 30.
Fool me twice (Gerber), June 22.
The future is now (McDonald), March 8.
The Gator Open, April 24.
Go west, young man, April 18.
Hazardous cargo: out of control? (Schulman), June 16.
He leads four lives, March 30.
Hobby leads to show biz (Davis), Feb. 7.
How pilots stay loose (Glines), Feb. 12.
How the airlines buy avionics, part one (Richardson), Nov. 24.
How the airlines buy avionics, part two (Richardson), Dec. 33.
HUD: an ALPA concept, June 10.
IFALPA meets in Washington, Tokyo, July 10.
I flew the Airbus (Janczarek), Oct. 10.
Interlining: a privilege, not a right, Sept. 18.
Interlining to Bermuda, Sept. 24.
The invisible menace (Janczarek), July 6.
Journey to Kitty Hawk, Feb. 21.
Kudos for a crash crew, Jan. 22.
Legislation of interest, Aug. 40.
Let's scrap MAP (Karth), July 12.
Lightning strikes (Bryan), Jan. 28.
Live cargo: cruelty aloft? (Glines).
The long-range needs of aviation, Feb. 4.
Meeting the challenge (Martinez), Aug. 30.
National honor to Haas and crew, Aug. 34.
Navigating the first airway (Martinez), May 22.
A news bird debuts (Davis), Oct. 6.
Operation Fair Play (Schulman), Aug. 16.
Paris shock waves (Davis), Aug. 12.
Pilot incapacitation (Bennett), March 12.
Pilot productivity (Langdon), Nov. 36.
Pilot rating rules, April 27.
Pilot unity and the Cuban agreement (Glines), April 4.
Pilots assist DFW dedication (Glines), Nov. 32.
Profile of a racer (Cox), Sept. 26.
Project Long Look (Davis), Dec. 15.
Recreation (Rutherford), July 15.
Reflections of a pilot-board chairman (Hall), Jan. 14.
A salute to J. A. Bomar (Broocke), June 24.
747 third-year review, March 20.
The seven homes of ALPA (Martinez), Oct. 12.
Sheehy drives to win (Earnshaw), July 22.
Short-haul meeting, Oct. 28.
Should SSTs get operational priorities (Drummond), June 6.
Some things are best left alone (Broocke), Feb. 28.
Stretching the shrinking travel dollar, Sept. 22.
Supersonic flight (Davis), Nov. 10.
Swissair wins ski crown, July 32.
They sense the changing times (Davis), Sept. 4.
This pilot steers an orchestra too (Barnett), Feb. 16.
Those lifesaving ELTs (Earnshaw), Feb. 24.
Those special Air Line Pilot tours, Sept. 23.
The time has come (Buck), March 11.
Tow it, stow it or drive it (Martinez), July 16.
